Note: The 2002 adoption list (<http://www.cde.ca.gov/ci/ma/im/>) expired November 2008. Though those programs are no longer state adopted, districts may continue to use them to meet the sufficiency requirements of EC Section 60119.

Comments:

Although the district has reviewed the materials on the new state adoption list, the decision to adopt has been postponed until new materials aligned to the common core standards are approved. We are continuing to use Open Court materials from the previous adoption, and are supplementing as needed to align with current standards.

In addition, we have revised the Core books to align with the Common Core Standards K-5.
