

7th and 8th Grade National Parks Field Trip & 6th Grade Yosemite Trip

Key Locations

Hoover Dam

Grand Canyon

Bryce Canyon National Park

Zion National Park

Key Dates

7th Grade:

Depart: Monday, March 21

Return: Friday, March 25

8th Grade:

Depart: Monday, April 18

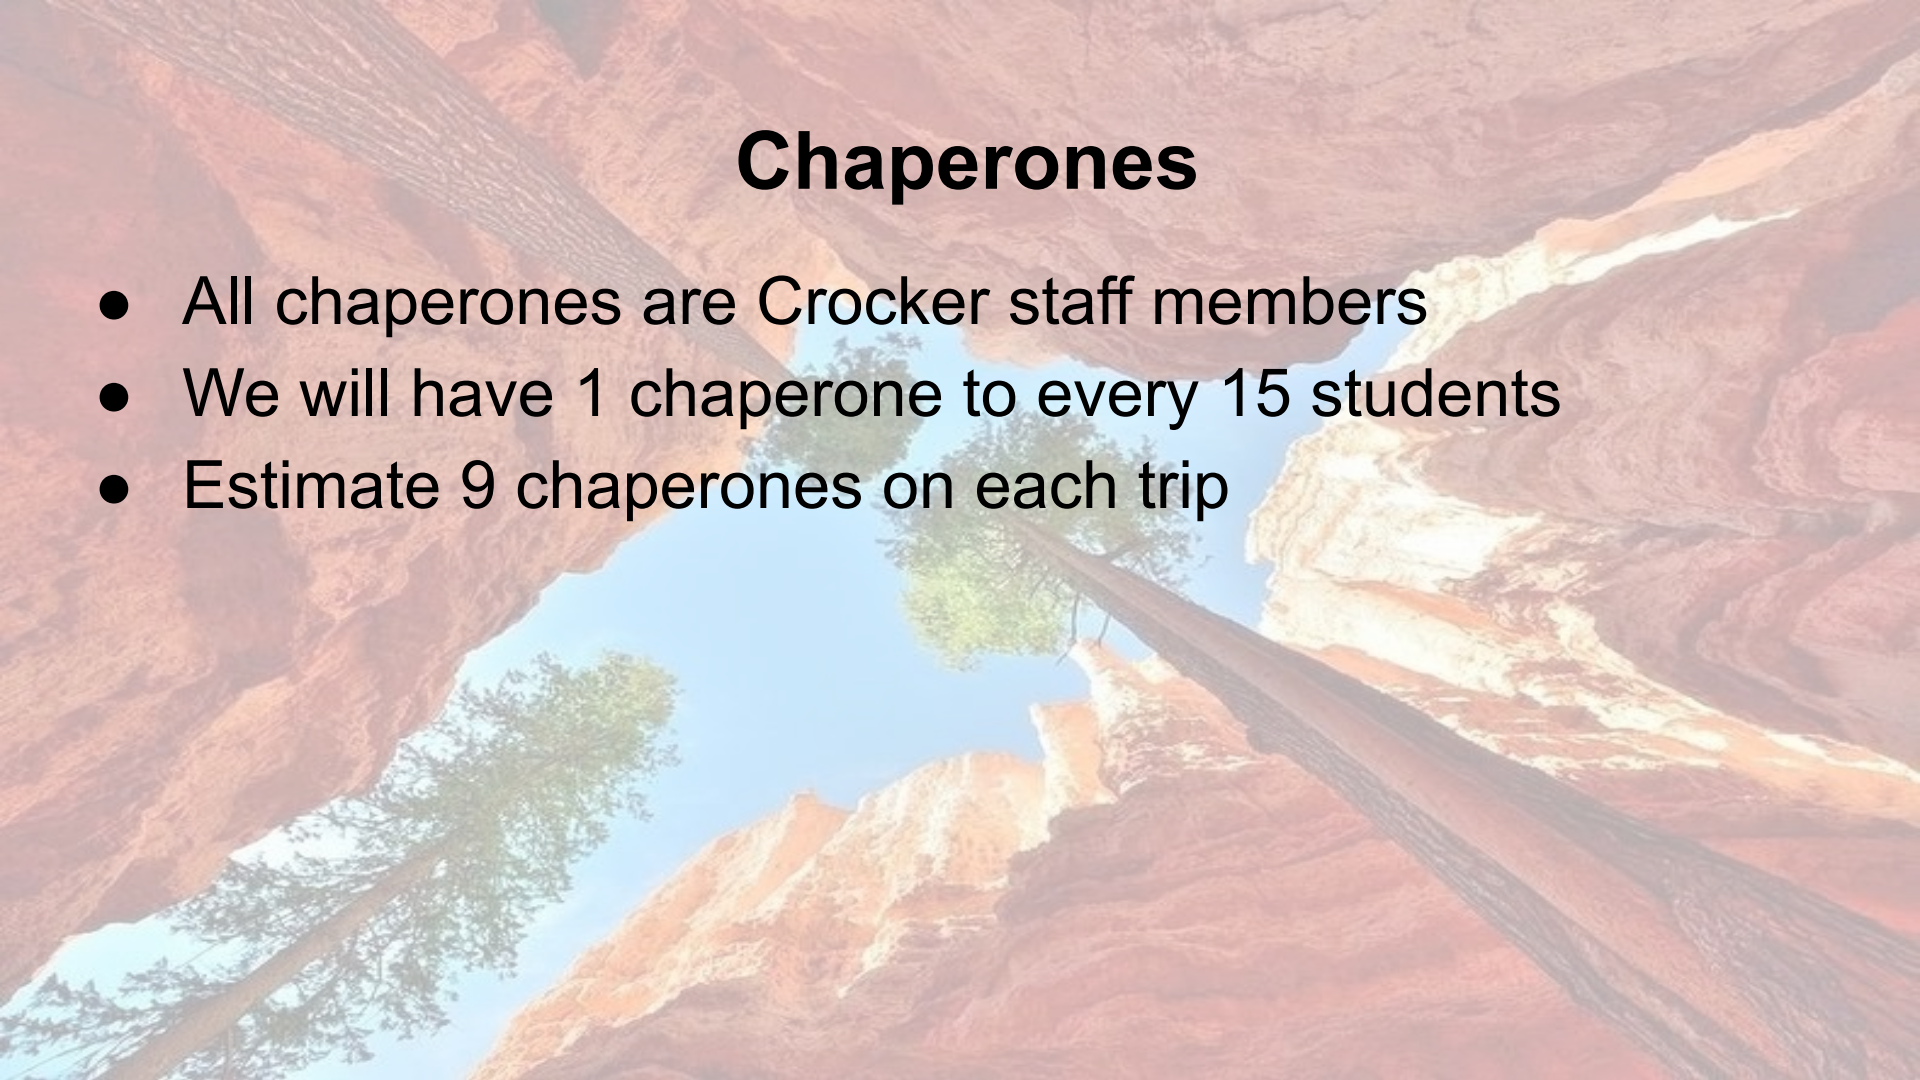

Return: Friday, April 22

Ties to Education

- Geology
- Ecology
- Native American history
- American Pioneer history
- STEAM
- HCSD Essential Outcomes
- Physical Education--light to moderate hiking

Chaperones

- All chaperones are Crocker staff members
- We will have 1 chaperone to every 15 students
- Estimate 9 chaperones on each trip

COVID Protocols

All COVID protocols mandated by the county and state will be followed

COVID testing:

- Require a negative COVID test within 72 hours of departure
- Students and staff can test at school the Friday before
 - If a positive rapid antigen test, we will follow-up with a rapid PCR Cue Test for confirmation
- Rapid tests will be available on the trip for anyone showing symptoms

COVID vaccination:

- Crocker Staff are fully vaccinated
- Students--not required, but highly recommended

What happens if someone gets sick or injured?

If showing symptoms of COVID:

- Follow the same protocols we have on campus
- Rapid test the individual followed by verification of the result via Cue Test
- If positive--
 - Quarantine traveler, contact trace and follow HCSD protocols when there is a case
 - Families notified and we provide assistance to get you to your child
- If negative--
 - traveler can return to group or seek other medical attention (depending on what it is)

If hurt/injured:

- Worldstrides has medical assistance

Other key items

- Rooms: 4 students to a room (separate male/female rooms)
- Students request their roommates (info to come from Mrs. Slater and Mr. Miller about this)
- Price includes everything: 3 meals a day, rooms, transportation, sightseeing fees. Only thing to bring is spending money
- Travelers with dietary needs will be taken into consideration
- *8th grade trip: modified food options available for those recognizing Passover.
- We will have a parent meeting a few weeks prior to the trip to go over details of the trip.
- We will have student meeting(s) to help prepare students for the trip

NatureBridge.

OUTDOOR EDUCATION

May 30 – June 3, 2022

Yosemite National Park
